Introducing CDR Options on Montréal Exchange

Trade Global Leaders in Canadian Dollars

Trade Options on Canadian Depositary Receipts (CDRs) and gain exposure to U.S. equities in Canadian dollars. These innovative instruments combine the flexibility of options trading with the convenience of trading in CAD, offering new opportunities for investment advisors and retail investors.

What are CDRs?

CIBC's CDRs are game-changing investment tools that let you trade shares of world-leading companies in Canadian dollars, eliminating the complexity of currency conversion and foreign account management. With built-in currency hedging and fractional share ownership, CDRs make global investing accessible and straightforward for Canadian investors.

Why Trade CDR Options?

Accessible Investment Size

Trade fractional shares of premium U.S. stocks through CDR options.

Cost Savings

Save money by avoiding currency conversion fees and cross-border trading costs.

Premium Stock Access

Gain exposure to U.S. stocks without substantial capital investment.

Canadian Dollar Trading

Eliminate currency conversion headaches: Trade U.S. stock options directly in Canadian dollars.

Dual-Purpose Trading Tools

Generate potential income and hedge portfolio risk with effective CDR options strategies.

Trusted Trading Environment

Trade confidently on Montréal Exchange, Canada's established and regulated derivatives marketplace.
